Press release Anaid Art Gallery - Raluca Ungureanu

Wednesday, 12th October 2005, at 07:00 pm it will take place at **ANAID ART GALLERY** the opening of the exhibition "**Remember the time (the story)**" signed **Raluca Ungureanu**. The public interested in contemporary art will be able to visit the exhibition from 12th October until 12th November 2005.

"Remember the time (the story)" refers to childhood, to that fairytale world in which the story characters are the most close-up friends. An ensemble of stylized trees of glass fiber that are multiplied continuously, colorful and black and white images, story fragments, happiness and soreness everything remembers about "Alice in the Wonderland". The place where everything is possible, where we all return from time to time and where everyone can find himself again. A light and colour thicket in which you immerse and search yourself in the same time. A organic world, that moves continuous, that seems to stun you. A world with hilarious and sad characters that chase and urge you, a fairytale without beginning and without the end. A jungle full of mystery and colour in that the main character became even yourself.

A "green forest", a place of coming back and searching of the own legend, where "It seems that sometimes the things must happen (the existence)...", after the artist said.

The gallery visit hours are: **Monday - Friday: 11:00 am - 07:00 pm;**
Saturday: 10:00 am - 06:00 pm.
